PEDIATRICS ASSOCIATES OF FRANKLIN

PEDIATRIC ASSOCIATES OF FRANKLIN has been a steadfast provider of pediatric care in our community since 1977. Our mission is clear: to foster enduring connections with families, guiding them through every phase of their child's health journey with empathy and expertise. From routine check-ups to specialized treatments, we are dedicated to delivering comprehensive healthcare that supports both physical and emotional well-being.

We proudly recognize three exceptional providers—**DR. THOMAS (TIM) CARR**, **DR. JOHN CHAMBERS**, and **DR. MOLLY HOOD**—all honored as 2024 Top Doctors.

As President and Managing Partner, Dr. Carr is deeply entrenched in community healthcare, volunteering on numerous hospital boards and medical committees. His true passion, however, is caring for and creating lasting relationships with his patients and their families.

Dr. Chambers is a seasoned expert in pediatric care who served as Chief of Pediatrics at Williamson Medical Center. Whether it is a giggling toddler or a thoughtful adolescent, connecting with kids is a privilege that fills his day with purpose.

Dr. Hood's passion for improving the health of all children extends before the clinic walls. She has served on the initial board of Nashville's GiGi's Playhouse Down syndrome achievement center and is currently on the board of the Cumberland Pediatric Foundation, serving as board president 2020-2022.

PAF is also home to other outstanding board-certified physicians and nurse practitioners, including Dr. Allison Couden, Dr. Allen Peabody, Dr. Emily Hawkinson, Jill Rembinski NP, and Morgan Fisher NP. Join our pediatric family today for quality, compassionate children's healthcare at Pediatric Associates of Franklin.
